REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Sullivan:

I herein submit my first annual report as superintendent of schools.

SUPERVISORY UNION NUMBER 38

The eight school districts which comprise this union are organized as follows:

District	Teachers	Buildings	Pupils	Registers	% Pupil Regis- tration
Marlboro,	14	2	246	8	27.43
Chesterfield,	6	3	143	6	15.94
Fitzwilliam,	7	4	121	7	13.49
Harrisville,	3	2	83	3	9.25
Nelson,	2	2	31	2	3.46
Sullivan,	2	2	44	2	4.90
Roxbury,	1	1	28	1	3.12
Troy,	11	1	201	6	22.41
Totals,	46	17	897	35	100.00%

The present crisis in world affairs has created an emergency in the education of American youth that requires immediate attention and action. Large numbers of pupils and teachers are now leaving school to go to work. The motives which impel youth to leave school for work are understandable. The alarming response to these motives of high wages and the desire to do something definite to help win the war has been made in many cases without giving ample thought to other considerations which are of far greater importance to the national welfare. All adults concerned in these matters—particularly employers, school officials, and parents—should make sure that all youths clearly understand certain basic conclusions before making the decision to leave school.

"Twenty-seven million citizens of the decade beginning 1950 are being prepared in our public schools now for the world that is being shaped with so much 'toil and blood and tears'. How futile our every war effort if these citizens are not fitted for their places!"

This great challenge to our educational system must be met in spite of the innumerable demands on limited time, energy, and materials resulting from the war emergency.
